

Rebecca Reid

What About Us

Debut Single Available May 8, 2020

The Idea

Follow Up Single Summer 2020

Rebecca Reid EP

Debut Album Late 2020

Canadian artist Rebecca Reid is an alternative-pop/modern-Motown singer-songwriter who has hit the music scene with her debut single What About Us.

Heralding psychologically minded lyrics brought to life by honey crisp vocals and soul drenching guitars, Rebecca brings a groove that will make you regret abandoning your dance career as a pre-teen.
